MCA Day at the Capitol: A Success!

Thank you to all the doctors who attended MCA Day at the Capitol! Your participation in meeting with our legislators made this event a success.

Mr. Cody Holliday, MCA's lobbyist, prepared our group for the day's events, ensuring everyone was well-equipped to engage with lawmakers. It was a fantastic day, and it's clear that we are truly stronger together when we unite for a common cause. We appreciate your continued support and look forward to more successful advocacy efforts in the future!

MCA Leader Spotlight: Dr. Jodi Dorpinghaus at ACA Engage 2025

Dr. Jodi Dorpinghaus, one of our esteemed MCA leaders, recently attended ACA Engage 2025. In this edition, Dr. Dorpinghaus shares her insights and highlights from the event.

One of the most impactful events of Engage is [Chiropractic's Day on the Hill](#) where ACA members, MCA members, students and leadership from Northwestern Health Sciences University, met with their representatives and senators on Capitol Hill.

This year, members conducted more than 260 meetings! Our chief focus was the Chiropractic Medicare Coverage Modernization Act, which was [reintroduced](#) just the week before. The legislation (now H.R. 539/ S. 106) achieved historic support in the last congressional session, so a strong foundation was laid for the bill. Members did an amazing job talking to members of Congress and their staff about the significant role that chiropractic plays in the lives of many Americans, who deserve to continue that care as they age into the Medicare program.

In Minnesota, we are fortunate to have widespread support for this bill. Last session, six of eight Representatives and one Senator (Klobuchar) supported this bill. This year, we are on track for the same support. We are grateful for all of the support from the Minnesota chiropractic community and ask you to continue to advocate for our profession and patients throughout the coming year! If you can't give time, please consider donating to our PAC to help the profession at...

Thank you for the opportunity to serve you.

MCA Executive Director Brenda Toler Highlights Successful NWHSU Homecoming

MCA Executive Director, Brenda Toler, was on hand at the recent NWHSU Homecoming, where she actively promoted both the MCA and the highly anticipated NWHSU & MCA Golf Outing scheduled for this July. Reflecting on the event, Ms. Toler shared, "It was fantastic to meet doctors I have been talking to over the phone the last few years, along with our sponsors. We had several new doctors and students join MCA during Homecoming, and we're excited to see everyone at the upcoming Awards Gala on May 3."

The Homecoming event proved to be a great success, with a strong turnout from doctors across multiple states. Attendees were able to connect, network, and expand their knowledge, making it an excellent opportunity for professional growth and collaboration. The MCA looks forward to continuing these valuable connections and engaging with more members in the future.
