MCA NextGen is live! This exciting new member benefit community designed specifically for early career chiropractors, was a celebration of networking and connection. Held at Nine Mile Brewing Company in Bloomington, MN, NextGen members enjoyed appetizers, beverages, and raffle prizes and enjoyed the space with MCA vendors Metro Diagnostic Imaging and Summit Orthopedics.

The launch party not only marked the beginning of a supportive community but also ignited a collective passion for growth and collaboration among the next generation of chiropractors. Stay tuned for future in-person and virtual events!
