

SecureCare[®]

VERSUS

COMPETITORS

SecureCare

Providers paid directly by the payer at 100% of the amount allowed by the fee schedule. SecureCare collects a small per-CPT fee from providers

All claims submitted directly to payer

No prior authorizations unless mandated by payer

Welcomes partnerships with state associations. Allows members to serve on our committees to look out for your best interests

Competitors

The payer pays a third party the fee schedule amount and then the third party contracts with providers at a fraction of the amount, in some cases up to a 25% cut in pay

Claims are usually submitted to a TPA rather than payer, causing EOB confusion

Most require prior authorizations

Typically no affiliation with state associations
